

Summer Institute 2012

Summer Institute is a week-long training opportunity for educators and other professionals and paraprofessionals who teach children with autism spectrum disorders and/or other special needs. Focus is on evidence-based procedures derived from the scientific research literature of Applied Behavior Analysis (ABA). Summer Institute is a combination of lecture, videos, hands-on activities, and direct observation of ABA at The Wayman Center. Extensive handout is included in both print and electronic form.

*****Space is limited to 16 attendees each session - Please register early!*****

and TWC staff

Summer Institute 2012

Summer Institute I is a basic training program that is designed to address the needs of individuals who are either new to implementing ABA in the classroom or need a refresher in the basics.

Summer Institute I will include the following topics:

- Introduction to Analyzing and Reducing Problem Behaviors
- Basic Behavioral Principles and Terminology
- Verbal Operants (Mands, Tacts, etc.)
- Non-Educational Trends in Autism
- Teaching Mands
- Criterion-Referenced Assessment (ABLLS-R and VB-MAPP)
- Writing Measurable and Observable IEP Goals
- Effective Use of Prompts
- Motivating Reluctant Learners

Summer Institute II is designed for individuals who have some background knowledge/experience in implementing ABA in the classroom. It is also a continuation of the information provided in Summer Institute I.

Summer Institute II will include the following topics:

- Discrete-Trial Teaching
- Toilet Training
- Recording and Graphing Data
- Making Data-Based Decisions
- Teaching Signs as Mands
- Making and Organizing Instructional Materials
- Shaping, Chaining, and Stimulus Fading
- Writing FBA's and BIP's
- Promoting Generalization
- Increasing Peer Interaction
